

Hancock County Health Department is offering back-to-school immunizations at Mt. Vernon High School on Tuesday, August 9th from 6:30-8:00 pm.

A parent or legal guardian MUST be present with anyone under the age of 18.

Immunizations for children, 18 years and younger, are offered at no/low cost for those with no insurance or on Medicaid. Those with insurance must bring their insurance card.

The child's immunization record will be reviewed with the parent/guardian before administering any vaccine.

Parents may register with code **IN10647** at the following:

<https://patients.vaxcare.com/registration>

Walk-ins are also welcome!

Time for...

...Immunizations!
